### MEMORANDUM

FROM: D. E. Phillips, Jr., P. E. *Haley Rogers For D.E.P*  
State Local Transportation Engineer

SUBJECT: Fiscal Year 2021 Grant Application Process Suspension for Section  
5311/5307 Transportation Programs

ALDOT recognizes this unforeseen situation, we all are in, regarding the COVID-19 virus and the difficulties this creates for basic everyday tasks. Recently applications for FY 2021 were distributed with a due date of May 1, 2020. Considering the current environment, we are facing, specifically the social distancing recommendations alone will make the completion of your grant application virtually impossible. Therefore, ALDOT is suspending The Grant Application and Cost Allocation Matrix Process until further notice. ALDOT encourages transit agencies to continue the completion of The Supplemental Agreements that was issued March 18, 2020. Once ALDOT determines a startup date, ALDOT Transit will provide further guidance concerning the Grant Application Process at that time.

If you have any questions or need technical assistance with this process, please contact your respective Regional Manager.
