## **ALTRANS SAFE PRACTICES & SOCIAL DISTANCING GUIDELINES**

Training and professional development are the cornerstone of any successful organization. Transit training is especially critical to promote the growth and wellbeing of our essential front-line transit operators. The following safe practices and guidelines will be observed in order to minimize the spread of infectious viruses such as Covid-19.

- Classroom seating and tables will be arranged to observe 6-ft social distancing.
- Hands-on activities will be conducted one on one to observe 6-ft social distancing.
- Disinfecting supplies will be on hand to sanitize classroom tables, chairs, training materials/devices at regular intervals for the protection of attendees and instructors.
- Masks must be worn by all ALTRANS event participants.
- Temperature checks will be performed prior to all training sessions.
